

THE ACADEMY SCHOOL DISTRICT TWENTY EDUCATION FOUNDATION

WE BELIEVE:

- students need innovative instruction.
- community support is critical to our success.
- donor integrity is imperative.
- supporting students and teachers is vital.

OUR RESOURCES

The Foundation's only source is through fund-raising and contributions. The revenue is used for scholarships, grants for teachers, awards for outstanding district educators, staff members and volunteers and sponsorship of educational speakers for staff. The Foundation is committed to enhancing educational opportunities for elementary and secondary students and staff.

OUR MISSION

Partnering with the community, the Academy District Twenty Education Foundation will secure resources to create, enhance or support outstanding programs resulting in learned, responsible citizens. The Academy School District Twenty Education Foundation has used the proceeds of its fund-raising efforts to provide scholarships for high school students, classroom grants to teachers and seminars for staff. The Foundation will continue its mission to aid the education endeavors of the school district.
